# WHITEGUIDES

© SKIING

Whiteguides is a marketing platform for independent licensed ski instructors and ski guides or mountain guides. The Whiteguides exists as a platform upon which the ski instructor|ski guide|mountain guide can link and connect to customers. Members of the Whiteguides are free to choose not to wear the Whiteguides Corporate design and | or not to use the platform which the corporation provides. It is not a requirement to wear the corporate design whilst using the platform. With or without the same appearance every member is still self-employed and self sufficient. As a corporation we do not make a collective profit or income.

There is a collective rule amongst us that we follow the same protocol when customers are referred to us through the platform, with the goal to make it safer for clients. There is no obligation to follow this protocol. The referred ski instructor|ski guide|mountain guide offers all kinds of services to do with ski lessons and ski touring.

The services include ski lessons in learning, applying and perfecting the skiing technique on the slopes, ski racing trainings, demo- and formation training, steep slopes-, mogul slopes- and off-piste trainings, freestyle and free-ride lessons. It is not only the technique of skiing, but also snowboarding, cross-country and telemark is taught in these fields.

The professionals also take our guests both to off-piste skiing and ski tours. They teach them the necessary security measures and advise them to the dangers and risks.

The member of the Whiteguides platform have all the highest qualification of their nation. All are state-certified ski instructors and ski or mountain guides. Therefore the highest quality is guaranteed.

#### Liability for content

The content of our pages has been created with great care. For the accuracy, completeness and timeliness of the content however we can not take over any guarantee. As a service provider we are, according to § 7 paragraph 1 of TMG, responsible for our own content on these pages under the general laws . According to § § 8 to 10 TMG we as service providers are not obliged to exercise control over foreign information passed or stored or to investigate circumstances that indicate illegal activity. Obligations to remove or block the use of information under the general laws remain untouched. A liability on this matter, however, is only possible from the date of knowledge of a specific infringement. Upon notification of such violations we will remove the content immediately.

#### Liability for links

Our offer contains links to external websites over which we have no control. Therefore, we can not take over any guarantee for these foreign contents. The provider or operator of such sites is always responsible for the content of the linked pages. The linked sites were at the time of linking checked on possible infringements. Illegal contents were not visible at the time of linking. A permanent control of the linked pages is, without concrete evidence of a violation, unreasonable. Upon notification of violations, we will immediately remove such links.

#### Copyright:

The content and work on these pages are subject to Austrian copyright law. The copying, modification, distribution or any kind of exploitation outside the limits of copyright require the written consent of the author or creator. Downloads and copies of these pages are only permitted for private, non-commercial use. Insofar as the content on this site is created by the operator, the copyrights of third parties are respected. In particular, content of third parties are marked as such. Should you become aware of copyright infringement, we ask for a hint. Upon notification of violations, we will remove the content immediately.

#### Data protection:

The use of our website is usually possible without providing personal information. If the quotation of personal data (such as name, address or email address) on our page is necessary, then this will happen, as far as possible, on a voluntary basis. These data will not be passed on to third parties, also without your express consent. We point out that data transmission on the Internet (eg communication by e-mail) can have security holes. A consistently protection of data from access by third parties is not possible.

The use of the contact data, which was published in the frame of the imprint obligation, by third parties for sending unwanted and not explicit requested advertising and information materials is hereby expressly forbidden. The operators of the sites reserve the right to involve legal steps in case of unsolicited promotional information, such as spam e-mails.

#### Privacy Statement for the use of Facebook plugins (Like button):

Our pages integrate plugins of the social network Facebook, 1601 South California Avenue, Palo Alto, CA 94304, USA. You can recognize the Facebook plugins on the Facebook logo or the "Like-Button" ("Like") on our side. An overview of the Facebook plug-ins can be found here: <http://developers.facebook.com/docs/plugins/>. When you visit our site the plugin establishes a connection between your browser and the Facebook server. Facebook thus receives the information that you have visited our site with your IP address. If you use the Facebook "Like" button while you are logged into your Facebook account, you can link the content of our pages to your Facebook profile. Thereby Facebook can assign your visit of our site with your user account. We point out that we as provider of the pages are unaware of the content of the data sent and used by Facebook. For more information, please see the privacy statement of facebook under <http://de-de.facebook.com/policy.php> If you do not wish that Facebook can assign your visit to our site, please log out of your Facebook user account.

#### Privacy Statement for the use of Twitter:

On our pages Twitter functions are integrated. These functions are offered by Twitter Inc., 795 Folsom St., Suite 600, San Francisco, CA 94107, USA. Through the use of Twitter and the "Re-tweet" the web pages you visit are linked to your Twitter account and announced to others. Thereby data will be transferred to Twitter. We point out that we as provider of the pages are unaware of the content of the data sent and used by Twitter. For more information, please see the data privacy statement of Twitter at <http://twitter.com/privacy>. You can change your privacy settings on Twitter in your account settings under <http://twitter.com/account/settings>.
